

## **Fees**

Fees are payable monthly in advance by standing order, direct bank transfer or childcare vouchers. Once booked and confirmed in writing, there will be no refunds and the full amount is payable at the time of the booking.

Add+VENTURE Club will consider requests for variation to payment terms on an individual basis. Anyone making these requests should contact us at the earliest opportunity. If fees are not paid, the Club will write to the individual who wrote the booking email, requesting payment. If the parents or carers are having difficulty making the payment on time we recommend that you discuss this with us as soon as possible as non-payment of fees normally sees us withdrawing our services to you.

Fees are reviewed annually for any increases in costs. For the academic year 2024/2025 the fees are at the below fixed rate:-
