From the Children

Eco Council

We celebrated Turn it Off Fortnite at school and had a whole day of no teaching on screens. We then thought it would be a good idea to reduce how much electricity we use in the school each day. We will be checking the offices and classrooms every playtime and lunchtime to check lights and screens have been turned off.

Weekly learning

At the end of each week we are uploading information to the School Website for the following week's learning and subsequent homework activities. We have included links to these pages to make it easy to access for you:
