Bramley Class Weekly Overview

Week Commencing 9th November 2026.

English

For our English this week we will be learning how to gather information and the different sources we can use to gather information. We will be making notes using their information to later use for writing our own animal fact files.

Phonics

Year 1 will be working on Phase 5 and Year 2 will be continuing with their recapping of Phase 5. We will have our first Year 1 spelling test on Monday - please remember this is not to be stressful or to worry your child, we will make it as calm as possible. Year 2 have been doing so well with their spellings; we will be learning how to use spelling rules to help us, therefore some words may be repeated this term, or similar words used repeatedly.

Year 1: Bird Girl Pie Tried HF (High Frequency): Who

Year 2: Acorn Ape Aim Eight Cake Rain Amazing Wait Weight HF: Could

Handwriting

Year 2 will continue to work on their joins, letter orientation and ensuring we start to join all writing automatically. Year 1 will be working on their letter formation and sizing. We will all be trying to remember how to correctly write and use capital letters!

Maths

Year 1

Maths, Addition and Subtraction.

In this unit we will be learning about:

- Parts and wholes and learn how to use part-whole models
- Fact families - addition facts
- Systematic number bonds within 10
- Addition - add together
- Addition problems
- Subtraction - find a part
- Subtraction - take away/cross out (How many left?)
- Subtraction on a number line
- Adding or subtracting 1 or 2

Year 2

Maths, Addition and Subtraction.

In this unit we will:

- Recap on our number bonds to 10
- Fact families - addition and subtraction bonds within 20
- Bonds to 100 (tens)
- Add and subtract 1s
- Add by making 10
- Add three 1-digit numbers
- Add to the next 10
- Subtract across 10
- Subtract a 1-digit number from a 2-digit number (across and not across a 10)
- Add two 2-digit numbers (across a 10)
- Subtract two 2-digit numbers (across and not across a 10)
- Compare number sentences and work on missing number problems

Science

Our science topic for this term is 'Animals and their Habitats'. This week we will be focussing on our knowledge of habitats, thinking about the different habitats that surround us and where we live. We will also think about how humans have adapted their habitats.

PE

Ball Skills will be our new focus for P.E this term, working on our basic ball control with various games and activities using our feet. Get your football feet ready!

Topic

Our focus for Topic this term is mapping and our local area. This week will be sketching bird's eye view maps of our playground and school. We will also be looking more at the work of Constable and creating our own artist page with information about Constable.

RE

For RE we will be exploring what happens in different church services and comparing the different kinds of Christian worship.

Forest School

In Forest School this week, we will work together to create a natural map of our Forest School area using natural materials.
