

Bramley Class Weekly Overview

Week Commencing 19th May 2025.

We hope you have a lovely half term break!

English

We are at the end of our unit this week and we will be drafting and writing our own weather based poetry, using similes, metaphors and rhyming language.

Phonics

Year 1 will be working on reading nonsense words as well as real words, which helps to build on their confidence with blending and decoding. The following website has some great games to play at home to help with this:

Forest School

Last week we had a very adventurous Forest School session - a lovely baby deer had been born in our Forest School area on Monday morning, so we couldn't use the area for fear of scaring the mum and baby. Instead, we did some lovely knot tying and den building on the field and playground. This week, we have Year 2 from St John's joining us for Forest School.

This is a photo of the mum and baby!
