

# Bramley Class Weekly Overview

Week Commencing 29th  
September 2025

## English

We are continuing our text for this term, How to Find Gold. This week we will be using the illustrations from the book to create a visual narrative with role play and beginning to think about writing narratives.

Phonics (Year 1) - We will be reviewing all graphemes taught this year.

Phonics/spellings (Year 2) - moving on to the different sounds for 'i/igh/y'.

Handwriting -

Year 2 will be continuing with our letters joins and focussing on the size of our writing, particularly keeping it neat!

Year 1 will also be working on the neatness and orientation of their writing.

## Maths

### Year 1

This week we are comparing numbers, finding more, less, greater than and less than, and using our numberlines to help us to solve problems.

In this unit we will look at:

- Sorting objects
- Counting objects
- Representing objects
- Recognising numbers as words
- Counting on from any number
- 1 more / 1 less
- Less than/greater than/equal to
- Using a number line

## Key Vocabulary

One more, one less, tens, ones, after, before.

## Year 2

This week we will be looking at how we compare and estimate, and we will also be building on our counting in 2s, 5s and 10s.

In this unit we will:

- Use numbers to 20
- Count objects to 100 by making tens
- Recognise tens and ones
- Use a place value chart
- Partition numbers to 100
- Write numbers to 100 in words
- Count in 10s and 1s on a number line

### Key Vocabulary

Count in steps, count in multiples, place value, estimate, compare

### Science

This week in science we will be investigating the meanings of 'Transparent' and 'Opaque' and identifying these features in different materials.

### Topic

This week we will be comparing materials that toys are made from now to the materials of toys from the past.

### RE

For our RE this week, we will be talking about the Character of God in the Psalms.

### PE

During our PE lesson this week, we will be continuing with our work on the Fundamentals of P.E, thinking about how we can change the way we land and balance when we move.

### Forest School

For Forest School this week, we will be continuing with learning new knots - especially for den building! We will also look at Andy Goldsworthy and try to create some of our own autumnal natural art.
