

Bramley Class Weekly Overview

Week Commencing 7th September 2026

Welcome back to the start of a new term and a new school year. We hope you all had a wonderful summer and look forward to hearing all about your adventures!

Each week we will upload an overview of what we are up to in the class for the week ahead. Please check in to keep yourselves up to date on our class learning.

English

This term in English, we will start with a new 'Mystery Book' (the title of which will be revealed very soon!). Throughout reading the text, we will aim to accomplish lots of wonderful English tasks, such as instruction writing, map creating, diary writing, finishing with an assessment writing piece at the end of term.

Handwriting

Year 2 will be revisiting curly caterpillar letters and the joining our high frequency words, as these are words we will be writing on such a regular basis. A lot of the Year 2's have already started to join, which is a fantastic start.

Year 1 will be learning about our different handwriting letter families and writing the patterns to support these.

Maths

Year 1

This week we will focus on counting and our number knowledge, as well as how to use our different mathematical equipment to help us.

In this first unit we will look at:

- Sorting objects
- Counting objects
- Representing objects
- Recognising numbers as words
- Counting on from any number
- 1 more / 1 less
- Less than/greater than/equal to
- Using a number line

Key Vocabulary

One more, one less, tens, ones, after, before.

Year 2

Our first maths unit for Year 2 is Place Value to 100. This week we will focus on recognising and counting numbers past 20 to 100.

In this unit we will:

- Use numbers to 20
- Count objects to 100 by making tens
- Recognise tens and ones
- Use a place value chart
- Partition numbers to 100
- Write numbers to 100 in words
- Count in 10s and 1s on a number line

Key Vocabulary

Count in steps, count in multiples, place value, estimate, compare

Science

Our science topic for this half term is 'Materials'. This week we will be learning about how to identify different materials and what

we can think of that is made from these materials, for example pencils made from wood, cutlery made from metal etc.

Topic

Our Topic for this term is Space Travel - this will link in with other areas of our learning, so watch this space.... SPACE!!

RE

Our RE topic for this term is 'How do Christians Know What God is Like?'

PE

We are starting the term with our 'Fundamentals' - establishing the rules and expectations in P.E and working on our basic physical skills.

Forest School

This week we will have our First Forest School session of the year. Can I please ask everybody to check their wellies - these have moved to the side of the PE shed. We will be straight in with fire lighting and Forest School craft.
