

Bramley Class Weekly Overview

Week Commencing 2nd
March 2026.

English

This week, we will continue to work on our Mystery Book. So far we know that the main character is called Pattan and we have started to read some of the story. We will be writing letters of advice this week to the main character in the story.

Phonics

Year 1 now have 10 spellings each week. Keep practicing these at home and don't worry if your child finds them hard - if this is the case, choose 5 to focus on and let us know. Year 2 will also continue with their spellings, working through the Little Wandle spellings scheme.

Handwriting

Year 2 will continue to work on their joins, letter orientation and ensuring we start to join all writing automatically. Year 2 writing is getting much better and much neater, please try to encourage joining as much as possible at home. Year 1 will work on their letter sizing and how we write our capitals larger than lower case letters, along with orientation of numbers - particular letters which are causing trouble at the moment are d, b, n, a, m, e, f, g and y - both capital and lower case.

Science

We will be thinking about what animals use on their bodies to help them to survive - such as different parts of their bodies that they can use for defence or attack.

PE

This term we will be focussing on Games. We have our Cross Country this week on Tuesday, we hope you can join us to cheer for our amazing team!

Topic

We will be continuing our topic for this term, learning about India and linking our topic with our English work.

RE

We will continue learning about Judaism, talking about the ten commandments.

Forest School

We hope to have a drier week this week.... Hopefully it won't be long until we can say goodbye to the muddy trousers!

We will be looking at how nature is just starting to wake up around us as we rush towards spring. If you have any photos blossom or buds appearing in your garden, let us know on Dojo!
