

Little Apples Pre School

Monday Newsletter – 18 May 2026

From the Children

Please see attached to our email this week, a letter from our Chair of Governors and information from ADD+Venture Club regarding the Half Term holiday fun classes.

First week back after half term:

- Inset Day:** Monday 1st June – School is shut for Teacher training
Tuesday 02 June: Whole School Photo
Thursday 04 June: Recycling workshop

School Council

We have been thinking about our Road Safety and what we can do to help. One of the things that makes roads safer is public transport. We cannot get a bus to school so we are going to give everyone the chance to send us pictures of the public transport they use over the school holidays.

PUBLIC TRANSPORT

NO ONE USE PLEASE!

We cannot use public transport to get to school but we thought it would be fun to use it in the holidays.

Anyone who used buses, trains, trams or ferries over the holiday can send us a picture.

We will share them in a special School Council Assembly after the holiday.

Send your pictures to the office.

The School Council

use Public Transport because it is better for the environment. A bus is good for the environment because more people travel on it and it's quieter safer on the road.

Usual reminders:

Please can we ask all Parents to check their child's bag every weekend. It is important that we have the following for your child in Little Apples every day: A supply of nappies (if applicable), wipes, waterproof warm coat, hats & gloves, spare trousers, socks, pants – all named please. For your convenience a drawstring bag is available from our uniform supplier: <https://www.differentclassschoolwear.co.uk/collection/littleapples-preschool>

Tapestry – Reception Class / Little Apples

This program is being used in the classroom as a means of communication primarily curriculum based. Any other queries can be emailed to the School office.

It is lovely if you can add comments or 'likes' from time to time so that staff know you have seen what has been added under your child's profile. You are also very welcome to share any pictures of exciting activities at home, and we will share them with the group when we are able to. At the end of each year, parents / carers receive a link where they can download the entire journal from the year.

Parking: We are grateful to all Parents who are careful where they park when you drop off and pick up your child. You may like to park closer to the Shop and walk an extra few minutes down to the gate. Parking across dropped curb areas or driveways is not advised. If your child is collected by another adult, please ensure you pass this on to them. Thank you for showing consideration and remember that your child's safety is important at all times.

Library: Please feel free to return your child's book at any time. We will keep a record of which book has been sent home, but will still offer your child a book on a Tuesday and Thursday if the previous one hasn't been returned. At the end of each half-term we will ask you to return any books you have found at home.

Weekly learning

Each weekend we put details of the following week's learning on the Little Apples page of the school website. We have included a link to this page to make it easy for you to access:
