Speen C of E School

Monday Newsletter - 09 November 2026

Stars of the Week:

KS1: Aria
Reception: Agnes
Manners trophy: Brodie

Housekeeping:

At this time of year it is normal for children to catch colds, develop coughs etc. We would like to ask for a box of tissues for the classroom during the winter months. Please send them to the School office. Occasionally Parents have let us know that their child has had Calpol before they left home so that they can still come into School. We would like to ask that all Parents contact the School office and let Mrs Moore know when their child has been given Calpol and dosage. This is recorded as part of our Health & Safety protocol and we then know to keep an eye on your child throughout the School day. Thank you.

Health & Safety: Pedestrian gate: Please can we remind Parents that the gate latch must be secured each time you go through the gate. The gate is easily opened if you do not do this. Thank you.

School Lunches: We recommend Parents having a chat with their child after each half term about what they would like to eat. Please let us know if their choices change and not our School Lunch supplier. Thank you.

Playground Resources: We are looking for large tyres, cable reels and wooden pallets to help us create some exciting new playground resources for the children. If you have any of these items that you would be happy to donate, please email the school office. Every contribution would be greatly appreciated! Thank you for your support.
